## STRATEGIC OBJECTIVES

### TRUSTED SOURCE OF CRIMINAL INTELLIGENCE

- ▶ Illuminate the transnational serious and organised crime threat landscape impacting Australian interests through trusted intelligence.
- ▶ Maximise use of our coercive powers and our other intelligence collection and analysis capabilities to deliver actionable intelligence and strategic insights.
- ▶ Build partnerships and collaborate to impact transnational serious and organised crime.

### COMPREHENSIVE INFORMATION AND INTELLIGENCE

- ▶ Deliver the National Criminal Intelligence System (NCIS) capability to provide a unified national picture of criminal activities.
- ▶ Ensure selected National Policing Information (NPI) systems are positioned to transition into the NCIS capability.
- ▶ Deliver NPI systems that meet stakeholder needs and are accessible, reliable, secure and trusted.
- ▶ Ensure good data management and quality across NPI systems.

### ACCURATE AND TIMELY BACKGROUND CHECKS

- ▶ Deliver world-class services to support employment or entitlement decisions.
- ▶ Transform the NPCCS to support digital delivery and improve turnaround times.
- ▶ Provide criminal intelligence assessments to strengthen background checking regimes.

### HIGH-PERFORMING AGENCY

- ▶ The ACIC is funded to continue to deliver capabilities that meet board agreed priorities.
- ▶ Continue to influence the legislative environment to ensure that the right powers are available to respond to new and emerging criminal threats.
- ▶ Empower our people to grow and develop into the workforce of the future.
