NATIONAL POLICE CHECKING SERVICE (NPCS) LIST OF ACCREDITED 'BROKER' ORGANISATIONS

The National Police Checking Service (NPCS) contributes to improved community safety by enabling access to Police History Information (PHI), with the consent of the Applicant. The service is delivered to Australian police agencies and other organisations who are accredited with the Australian Criminal Intelligence Commission (ACIC), to support their processes for assessing the suitability of people applying for employment, Australian citizenship or appointment to positions of trust.

The following organisations are known as 'brokers' and are accredited with ACIC to provide the NPCS directly to individuals. It is important to note that some brokers provide services to particular client bases and as such, ACIC recommends undertaking relevant research to determine if a broker can service your needs.
